

# **10kV High Voltage Junction Box**

## Overview

---

Flameproof high voltage cable junction box (hereinafter referred to as junction box). He's deeply familiar with electrical standards and application needs in Europe and North America. Typical applications include: all types of power generation, on/off shore Oil & Gas power and umbilicals (uncluding hydraulics, and datacoms) and on/off shore wind farms. The rugged nature of these products also makes them suitable for heavy industrial use where high levels.

## 10kV High Voltage Junction Box
