

# **48-core MTP trunk optical cable**

## Overview

---

Enable high-bandwidth 40G/100G/400G connections with our 48 Core MPO/MTP® to MPO/MTP® 'Converted' Trunk Cable. With non-pinned MTP connectors on both ends, these fiber trunk cable assemblies are designed to interface with the EDGE solutions or Plug & Play™ systems modules. M310 Series® MTP® (MPO) trunk cables form the backbone to the MX Series fibre system. As the MTP® brand connector becomes the standard, more and more data-centric telecommunications and electronics operations are upgrading their.
