

# **ADSS optical cable G 654 E manufactured in South Korea**

## Overview

---

This manufacturer and trader primarily sells to Kenya, Indonesia, and Armenia, offering FBA forwarding services and quality control capabilities. GL FIBER's FarBand® Ultra delivers both advantages in a single fiber, combining industry-leading low attenuation with an optimized large effective area. Fiber Optic Cable 258 Original Std ADSS Flex-Span ADSS New Std ADSS Applications

- Electric utility transmission lines - Typically framed under conductors
- EHV environments - Tracking-resistant options available
- Features
- Up to 432 fibers in cable - Gel-Free Buffer Tube options available - up to. Fibers type 250µm are positioned into a loose tube made of high modulus plastics.

JIANYE's ADSS are All-Dielectric self supporting cable and single jacket designed for aerial installation. Huihong Technologies Limited is a trusted and professional manufacturer specializing in G.
