

Bangladesh Government and Enterprise Smart Distribution Boxes

Overview

Set up by a startup called DigiBox, these lockers, or "digital boxes", are being used by several companies, including Daraz Bangladesh, BRAC Bank, and 1000Fix Services. Already, around 6 lakh products have been handed over to customers through the lockers in the last two. Simple, safe, and convenient
Where are all the Digibox located?

We're expanding rapidly. To ensure seamless last-mile delivery, storage, and pick-up experience for businesses across the country, especially in the e-commerce segment, ekShop- a platform under Aspire to Innovate (a2i) Programme of the Bangladesh government- has developed the country's first Internet of Things (IoT)- based. With this automated delivery box, Metrorail users can collect the delivery of their ordered products on the.
