

Burkina Faso High Return Loss Adapter OM4

Overview

Featuring LC/UPC connectors and utilizing 50/125µm OM4 multimode fiber, it ensures low insertion loss, high return loss, and consistent performance. REACH is a European Union regulation concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. Accelerate and protect your network performance with this durable, polyethylene, OFNR riser rated cable that's moisture/sunlight resistant, immune to electrical interference and has an operating temperature between -40°C / +85°C. Hybrid optical adapters with male to female configuration are very useful in connecting patchcords with different connectors. Because both a connector plug (male) and an adapter socket (female) are provided, this hybrid adapter fits in various circumstances, offering flexibility and reducing the. High-quality multimode OM4 LC loopback adapter for fiber optic testing or network restorations. The fiber Loopback Module is also known as a fiber loopback plug or loopback adapter.

Burkina Faso High Return Loss Adapter OM4

LC Multimode OM4 Duplex Thru-Adaptor , Low Insertion Loss

The LC multimode OM4 duplex thru-adaptor ensures high performance with low insertion loss--ideal for data centers and network installations. Built for seamless connectivity, its compact design makes it
