

ZTP Thermal & Power

Computer Room Cold Aisle NEMA4X Manufacturer

Overview

In 2024, Worthington Armstrong Venture (WAVE), a joint venture between Armstrong World Industries, Inc. , acquired all of the assets of Data Center Resources, LLC (DCR) related to the design and manufacture of customizable, modular aisle. With 35 years of operational experience, EDP designs, manufactures, and installs bespoke aisle containment systems that improve airflow management in Data Centre environments for retrofit, new build, and hyper-scale projects. Many customers work with a Vertiv reseller partner to buy Vertiv products for their IT applications. Already know what you need?

The SENC-600: The Armagard waterproof PC enclosure is a hygienic, IP65/ NEMA 4 X rated enclosure designed for a widescreen 27" VESA monitor and a mini-PC. Plus, DAMAC aisle containment systems, server racks and structures are manufactured at our six North American facilities, so your products are closer to where you need them throughout the process. Ready to streamline your data center build?

See how Maysteel accelerates deployment. With robust steel frameworks and modular roof and blanking panel options, it delivers secure.

Computer Room Cold Aisle NEMA4X Manufacturer

Bespoke Manufacturing: Data Centre Containment

Our bespoke manufacturing services include data centre security cages, data centre aisle containment, and other tailored solutions to meet your unique requirements.
