

Czech brand of duct-mounted optical fiber communication cable

Overview

With a heritage spanning over a century, KABELOVNA Děčín Podmokly, s. specialises in the manufacture of high-quality communication cables for the telecommunications sector. Our product range also includes railway cables, switch cables and fibre-optic cables. Founded in 1991 and based in Jihlava, Czech Republic, the company took over optical fiber production from the former state-owned enterprise TESLA.
