

Distribution box aviation plug

Overview

The PD400 connector is supplied with a detachable nose & replacement front contacts. Circular connectors include power connectors, signal connectors, data connectors, etc. Ltd is a supplier specializing in the production, customization, and sales of aviation plugs. A total dedication to quality but for us, this word is interpreted in the broadest. LPA's aviation products are designed to support the efficiency and safety of the ground handling staff and GPU equipment in use on airport aprons. CN216981085 - Adapter suitable for aviation plug of distribution network circuit breaker control box The utility model discloses an adapter suitable for aviation plugs of a distribution network circuit breaker control box, which comprises an aviation plug I, an aviation plug II and an aviation plug.
