

ZTP Thermal & Power

French Aluminum Cable Management Frame Brand

Overview

Based in Alsace, at the heart of Europe, the company Satie is an independent family-owned business. Satie is the only company in the world dedicated exclusively to the manufacturing of aluminum wiring management frames for electrical control cabinets and boxes. We developed our Satie System to optimize the entire process from conception and design to. Our products are used to power and protect the world, including Electrical Conduit and Fittings, Cable and Cable Management Systems, Infrastructure Products, and Safety and Security Products. ABB saves time and labor with its comprehensive lines of metal framing and cable tray, including the industry's only 100% plated products, our 1 1/2" modular system, and hundreds of accessories to complete any job.
