

Huijuedun Optical Distribution Box

Overview

Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical. As a leading manufacturer and supplier of fiber optic components, we consistently provide high-quality fiber optic components, fiber optic active connectors, optical splitters, fiber optic adapters, fiber optic cables and other products. Fiber distribution box is suitable for the wiring connection of optical cable and optical communication equipment, through the adapter in the wiring box, the optical jumper leads the optical signal, and realizes the optical wiring function. ,Ltd is located in Hangzhou city, Zhejiang Province, China, which specializes in fiber to the home (FTTH) and HFC network for many years. Junpu provides complete solutions of standard products or customized in FTTH field: Fiber Optical Distribution Box. The HJ series of ODF units can be integrated components in any fiber management system to handle termination and cross-connection of cables. They are available as rack-mounted units for 19 inch or ETSI racks, or as wall-mounted cabinets. The units could be delivered fully.

Huijuedun Optical Distribution Box

Fiber Optic Distribution Box

Fiber Optic Distribution Boxes (FDBs) are crucial components in fiber optic networks, serving as junction points for distributing and terminating optical signals. They
