

Industry Standards for Wall-Mounted Network Cabinets

Overview

The Electronic Industries Alliance (EIA) and the Telecommunications Industry Association (TIA) have set a fundamental standard for rack - mounted equipment, which also applies to wall network cabinets. Reference Products for Standard Enterprise Cabinets: GUANGDONG AUCAS NETWORK TECHNOLOGY CO. Compact Wall-Mount Enclosures (6U - 12U) Snapshot: Space-saving cabinets mounted to walls, typically used for patch panels, routers, and small switches in retail or small office settings. Upon completion of the installation, a third party field verification firm will independently verify. Generate Instant Quote - Create and download quotes instantly for review or approval.
