Optical fiber and equipment

SADRA Company is one of the most important distributors of fiber optic equipment and supplies in Tehran province, which sends all fiber optic equipment to all cities of our country as soon as

[Read More](#)

The Key Differences Between 1-core, 2-core, Single

o In optical modules, "core" refers to the light-transmitting channel in the fiber. A 1-core module uses a single fiber core for data transmission, while a 2
