

Nepal s High and Low Voltage Complete Equipment Factory

Overview

Our product range includes Linear Type Servo Voltage Stabilizers, Variac Type Stabilizers, Automatic Voltage Stabilizers, Static Stabilizers, and Liquid Resistance Starters. We specialize in substation installation, testing, and commissioning, backed by years of expertise. Comprehensive range of technology products and components for businesses, retailers, and installers throughout Nepal. Litmus | Nepal's largest and leading manufacturer of Wires, Cables and Conductors. Established in 1977, Litmus Industries Limited, then Lumbini Vidyut Udyog - has been steadfast in its mission of helping the Nepal tap into Nepal's boundless electric potential helping the nation and its people. It is a subsidiary of Butwal Power Company Limited in partnership with IKN Industrial AS Norway, Butwal Technical Institute and Himal Hydro and General Construction Limited. Transweld Nepal uses low loss Cold Rolled Grain Oriented (CRGO) magnetic silicon steel sheets from internationally reputed brands. CNC cut-to-size annealed cores with precise dimensions, burr-free edge for core integrity that increase the transformer's reliability.
