

Optical Multimeter JW3255C

Optical Multimeter JW3255C

Optical Multimeters , Fiber Optic Testers

FS provides Optical Multimeters, free & fast delivery, expert tech support, outstanding warranties.

JW3209 Handheld Optical Multimeter

Intelligent optical power meter module and highly stable light source module in one unit
Users could write their own software by the communication protocol provided Automatic wavelength of light

[Read More](#)

JW3209 Handheld Intelligent Optical Multimeter Optical Power Meter

Description: JW3209 Intelligent Optical Multimeter is a cost-effective instrument. It has the functions of an optical power meter and a light source. It can store and upload the data records of tests. It is
