Pre-reserved parts for cable tray openings

8-Port PLC Fiber Splitter Box

12-Port SC Fiber Splitter Box

Size: 235*215*75mm

Material: ABS, IP65,

Overview

These cable tray accessories include components such as plastic nuts and bolts, swift clips, wire baskets, couplers, tees, crosses, and brackets. maintain spacing or to keep cables in place when the tray is ect the minimum bend radius for cables as they exit the bottom of the cable tray. A rung spacing of 6 to 9 inches (150 to 230 mm) is preferable when the cable tray cont d for instrumentation and control applications that require. The gland plates included with the supply of Rittal enclosure systems may be replaced with a range of cable entry plates. Cable entry grommets and connector grommets ensure a high level of IP protection with user-friendly installation. For ease of installation and accessibility, lay cable and hose in trays instead of pulling it through conduit or raceway. The mechanical and electrical characteristics, tests, certifications, overall quality management, recommendations mentioned.
