

# **Ribbon Indoor Optical Cable**

## Overview

---

Ideal for 5G fronthaul, FTTH, and data center applications requiring maximum fiber density and bend resistance. The optical fibers are organized into easily identifiable 12-fiber ribbons inside a central tube. Ribbon Optical fiber Cable - Indoor - CORNING Ribbon Interlocking Armored Cable, Riser Corning ribbon interlocking armored riser cables are designed for use in riser and general-purpose environments in intrabuilding backbone Ribbon Optical Fiber Cable, Plenum Corning ribbon plenum cables are. Leviton offers ribbon fiber optic cables in a range of constructions with fiber counts up to 432F, suitable for a variety of indoor and outdoor applications.

## Ribbon Indoor Optical Cable

---

### Fiber Optic Cables For Indoor Applications

Indoor Optical Fiber Cable QZ Group offers high-performance fiber cable designs that meet or exceed industry standards. Our indoor fiber-optic cable is available
