

# **STSC optical cable**

## Overview

---

Achieve high-performance connections over long distances with this multimode fibre-optic cable from StarTech. Pre-terminated ST-SC male connectors make for quick links, while an LSZH sheath releases minimal smoke and toxins in the event of fires. 0mm diameter fiber optic Patch Cord best used for long cable runs in any single mode network. Our Fibre Optic cables are manufactured, 100 % tested and verified to the latest datacomms and CATV applications. LC connectors dominate high-density panels and modern transceivers (SFP/SFP+, QSFP), while SC remains common in enterprise and FTTH; ST.

## STSC optical cable
