

# Sc Fiber Optic Connector Housing

## Sc Fiber Optic Connector Housing

---

### SC Fiber Connectors

Duplex SC connectors include two simplex connectors, plus a duplexing clip. The combination of a pre-radiused ceramic ferrule and precision polymer housing provides consistent long-term mechanical

### SC Type Fiber Optic Connectors

JIS, IEC standards compliant and fully intermateable with NTT's SC products. Long strain relief boot assures that there are no performance losses when a pull force is applied in a vertical bend direction.
