

ZTP Thermal & Power

Singapore Cable Tray Construction Project

Overview

The Singapore Financial Service Center, a major development from 2023 to 2025, required an advanced cable management solution. The project team chose stainless steel cable tray and strut channel systems for their specific benefits. Established in 2009, United U-Li Projects Pte Ltd carry a comprehensive range of high quality cable trays, trunkings, cable ladders, conduits, fittings, floor trunking systems and all assembly systems for use in diversified industries projects in Singapore. Since our inception in 1992, we have proudly established ourselves as one of Singapore's leading specialists in cable support systems. Wanco Perforated Steel Cable Trays are constructed using the highest grade of Electro-Galvanised Sheet Steel for Epoxy Powder coating and high grade hot rolled steel for Hot Dipped Galvanised coating.
