South Asia 4-way optical receiver

South Asia 4-way optical receiver

Optic Transmitter; EDFA; CATV Equipment; CATV; Optic Receiver

Products are use in optical fiber communication, optical fiber access, CATV, SMATV and related fields. Based on the development of science and technology, the company has a group of senior

HDBS-5000CW SAT-IF Optical Transmitter & Receiver

Transmitting 18-way SAT-IF optical signal by internal CWDM standard wavelength via one single fiber. 1U standard stander, combine 4 units SAT-IF and 1 unit CATV optical transmitter or optical receiver.

[Read More](#)

HDBS-4000DW SAT-IF Optical Transmitter & Receiver

All 4 ways optical transmitter are able to supply +13VDC or +18VDC to LNB. Strong anti-jamming ability to electromagnetic, RF and thunder. Flexible and convenient installation and use. The industry's best
