Jaguar R and SVR models

Jaguar R and R-S/SVR models are a range of high performance versions of certain car models from the British automotive marque Jaguar Cars, part of parent business Jaguar Land Rover. These cars primarily focus on enhanced "sport" performance. Jaguar began producing R models in 1988 with the introduction of the first XJR, and began producing R-S models in limited production numbers and input from Jaguar SVO (Special Vehicle Operations) with the introduction of the 2012 XKR-S. The R-S mark has since b
